

INSPIRED BY
NATURE
Tunnickliffe 120

Enter our fabulous children's art competition

Charles Tunnickliffe was a famous artist from our town of Macclesfield. He loved looking at nature and drawing what he saw. He was inspired by nature.

Are you inspired by nature? Do you love being outside looking at animals and plants? If the answer is yes we want you to send us your creations. We will make a slide show of all the pictures for our Tunnickliffe120 webpage and a video slideshow at the Library, Museum and Visitor Centre. There will also be an exhibition of some of the entries at the library during February half-term.

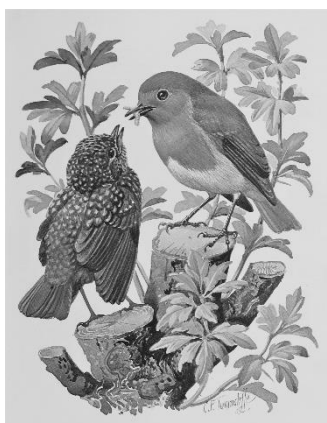

Turn over this paper and draw your picture - use your imagination to illustrate the wonderful animals, birds and plants that you see.

Entry is open to everyone aged 11 and under. Each picture will go into a prize draw and you could win a fabulous prize.

(A Tunnickliffe art workshop for your whole class; a pack of art materials; art and drawing books; RSPB pin badge and bird book.)

Return your pictures to Macclesfield Library or Macclesfield Silk Museum.

Closing date: 14th February 2022
